RPowerD™ - Agent eVantage Quick Maps made even better, easier and faster!

We have added functionality showing exactly what inputs are used to generate the RPowerD county premium estimates shown in Quick Maps. We also now display the implied revenue trigger of the estimate. Best of all, agents can jump right from the map into the quote setup screen to customize the estimate and access all Agent eVantage sales and decision tools.

Quick Maps are available from the welcome screen on www.AgenteVantage.com.
